

Crosstimbers Academy

Welcomes you to our
Spring 2021 Open House

Crosstimbers Academy

T I M B E R W O L V E S

Agenda

General Information/ School Procedures/ Attendance/ College Night

4:30-4:45

Social Studies & Modules 4:45-5:00

English & Foreign Language 5:00-5:15

Science & Math 5:15-5:30

College Prep Math & English/ Remote Learning-Edgenuity 5:30-

5:45

Overall accountability / ratings for CTA from 2019 5:45-6:00

General Info: Dr. Nelson, Mr. Hetherington, Mrs. Dickson

Remind codes (please sign up for both of these):

CTA INFO: @62he4

ATTENDANCE: @ctaat

- School procedures due to COVID- Students must wear masks in the building at all times; we do temp checks upon arrival; students remain 6 ft apart in classroom seating charts
- Temperature checks take place from 7:45-7:55 for AM students (classes from 7:55-11:48 AM) and 11:55-12:09 for PM students (classes from 12:09-4:02 PM)

General Info: Dr. Nelson, Mr. Hetherington, Mrs. Dickson

- A symptom check/ screener is sent out by Remind (attendance) every morning; just reply Yes or No if your child has experienced any symptoms in the last 24 hours.
- Attendance- If a student is out, or leaves school early, because they don't feel well, we will either need a Dr. note confirming an alternate diagnosis than COVID, or a Negative COVID test for them to return to campus (the list of symptoms is lengthy & includes most symptoms of any illness a student might be absent for)
- All other reasons a student needs to be out of school can be pre approved by calling the office, and a note still may be required

Accountability and Ratings

We are still under our 2019 ratings, due to COVID interruptions last spring. This was a D at that time. Which means we are under School Improvement for the state. At this time, this only means we have to turn in an improvement plan to TEA which states a few things we'll track this year, and that we did part of the year last year. However, this doesn't change anything with how we work with your kiddos, we are here to help them in whatever way we can and that will not change ;)

As you may or may not have heard, schools will not get an A-F grade this school year, but all students will have to take the STAAR test still this spring for any courses applicable to them this year.

If you ever have any questions regarding: lessons, instruction, curriculum, testing etc. please do not hesitate to contact Dr. Nelson at knelson@ctacharter.com-

THANK YOU :)
